Paper Shredder X10, CD/DVD/Credit Card Cut size: 5x18mm, cutting capacity: 10 sheets, Bin capacity: 21l, Cross Cut

With the ednet X10CD Shredder, you can destroy your documents easily and in the simplest manner. With up to 10 sheets per operation, shred your data into 5*18 mm particles. Thanks to the automatic start/stop function, as well as reverse operation, this is achieved faster than ever before. In addition, you can also conveniently and reliably destroy your data storage media and bank cards via the additional CD/DVD/credit card slot. These are collected in a separate collection container and simplifies waste segregation as a result. In case the collecting container or the cutting unit is removed, the operation is terminated using the automatic safety shutdown. The practical handle facilitates the removal of the cutting unit.

The ednet X10CD Shredder offers perfect and high security for your personal documents/data whether at home, in the home office or small office
